Feedback Analysis Report

Feedback Analysis Report (Session: 2021-22)

Feedback mechanism is a device that enables the beneficiaries to provide feedback and seek response in related activities. Feedback Analysis Committee, along with the IQAC coordinator, collected feedback from four stakeholders: students, teachers, alumni and employers.

Google forms were sent in the month of November, 2022, for the session 2021-22 to the stakeholders through WhatsApp groups in online mode and collected feedback from stakeholders. There were 32 criteria in the Students' Feedback on curriculum against 5 parameters. The first stakeholder is the students of the college. Google forms were first sent to the departments of the college. Then the concerned departments shared the link to the students through WhatsApp groups and the students filled up the forms. Total 90 responses were received from BA 2nd, 4th and 6th semester students of the session 2021-22. The data of the collected forms were handed over to the Feedback Analysis Committee for statistical analysis. Subsequent actions have been taken for better results.

Teachers' feedback on curriculum had been conveyed through WhatsApp group of the teachers and collected the responses. Total 27 responses were received. There were 5 parameters in the teachers' feedback form against 34 criteria. Feedbacks were collected and generated through statistical analysis.

Alumni's feedback were also collected in the same process. Total 35 responses were received. Submitted forms are generated for statistical analysis and further actions.

Feedback forms for employers had been conveyed through Whatsapp groups. Total 14 responses were received. There were 5 parameters against 10 criteria. Submitted forms have been generated for statistical analysis and for further actions.

Following Suggestions had been from received from the stakeholders and forwarded to the principal for taking actions.

Suggestions from the stakeholders:

1. 47 students commented on the environment of the college as overall good in the suggestion section.

2.15 students out of 90 suggested for the improvement of canteen facilities.

3. Some students gave satisfactory remarks on teachers.
4. 17 students didn't comment in the suggestion section.
5. One of the respondents asked to increase internet facilities on the college campus.
6. One of them asked for modification and adjustment of the duration of the course.
7. One from Alumni suggested that the boundary wall should be completed.
8. Suggestions received from Alumni for a Boys' common room.
9. Improvement of sports facilities, career counselling.
10. More progress of the college.

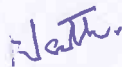

Teachers' suggestions:

1. One of the teachers suggested that Reference books are to be available in the market and to reduce the vastness of the syllabus for undergraduates, considering the duration of UG course, per semester.
2. One of the teachers suggested for the introduction of History of English Literature in B.A. First semester English Honours course because European Classical Literature is difficult for the students as the paper has not any link with H.S level course.
3. One of the faculty suggested to consider MIL(Assamese) as compulsory subject.

On the basis of the suggestions and responses offered by the stakeholders on course, curriculum, teaching learning process and all round development of the college, the IQAC requested the Principal to take necessary steps for the betterment of the college.

34. Suggestions (if any)

27 responses

Field-based activities are required as a part of the curriculum.

Canteen and department facilities should be improved. We face various problems regarding the same .

The curriculam is suitable for all levels of students.

Insufficient course material

Reference books for both Honours and Non- Honours are not avilable according to current syllabus. The syllabus for Non-Honours is comparatevely inflexible than Honours subject and the entire syllabus is very vast in nature for both honours and non- honours. So I think the concerning authority should prepare a balanced syllabus for both honours and non-honours as well as for both advanced and slow learners.

Over all good. But sufficient study materials are not available for the paper EDCN-401 : Emerging Trends in Indian Education , so please provide us with study materials to teach the students.

English as subject, only for one semester,for Honours students is not enough for the enhancement of knowledge and skill of assamese students .They should be given to read at least for another semester ,

Difficult to estimate the exact workload of teachers that may fluctuate.

Over all curriculum is good but sufficient study materials are not available in this paper code - DSE 2 1 (Meta Ethics).So the study materials provide us to teach the Students.

The curricular should be more employment opportunity creator.

Insufficient of course materal for major paper Dse 2.

No

Can the MIL subject be changed as compulsory in Degree course?

- 1.Syllabus is to some extent so vast that it is difficult to complete in time.
2. Non-honours syllabus design is equal to honours syllabus.
- 3.The concerned department of the University should prepare books according to the syllabus so that students will benefited.

Study materials are not available for 5th semester honours (BA). Paper Code - DSE2. Name of the paper is" Indian literature,"

Coordinator, IQAC
Kamarbandha College

Principal
Kamarbandha College
PO K.B. Ali, Golaghat

1.1st semester NH syllabus is repeated in 5th semester again.2.Although the paper 'Philosophy of Vedas and Upanisads'is included in the syllabus but their study materials are not available in book stall.

Needs improvement of canteen facility

Syllabus wise books unavailable in time. Broad syllabus should be reduced, though it can complete in time.

One paper of 5th sem. (NH) is repeated that **puzzles both the faculty and students**. Then syllabus is updated from time to time which is **very good, but text books and study materials** can't be found in time.

1. More job oriented course should be introduced.

1. More emphasis should be given in preparation of syllabus for competitive examination

3.Syllabus should prepare such a way so that it can be finished at proper care

No suggestion.

My suggestion on curriculum is that in case of 1st semester C-2 paper of English Honours, students of rural colleges like us have to face difficulties. Since the students are not acquainted with Classical European Literature in the H.S.level course.So I would like to suggest to introduce the History of English Literature for 1st semester honours and to include Classical European Literature in the syllabus of later semesters

N/A

Subject related Add _on Course should be introduced.

Ba 1st sem Eco(H) , ECNH 102, unit v is **complicated for the Arts students** .Provide substitute unit for that.

There should be a provision for appropriate canteen facilities

ACTION TAKEN ON THE FEEDBACK OF THE STUDENTS ON TEACHERS

DEPARTMENT OF PHILOSOPHY

SESSION 2021-2022

Random collection of the feedback of the student has been done by the feedback committee for the session 2021-22. So, from the report and the recommendation of the committee is has been found that some students find problems regarding seminars, group discussion and understanding the lessons from one or two faculties. So, for those students the Department makes the arrangements for remedial and revision classes, guidance in seminar paper preparation and group discussion, during the current session (2022-23) it has been decided to arrange a workshop for the students on preparation of a seminar paper. The feedback committee also offers recommendation for the improvement in helping the students in their problems, consultation in outside classes and extra-curricular activities. Of course one or two faculty members are active in these activities. However the faculty members are advised to take care to the matters. The importance has been given in personal counseling and makes a friendly relationship with the students so that they can be free and frank to the teachers regarding their problems. Besides, the Institution has made the mentoring system for the benefit of the students. So, along with the authority the Department insists on mentoring the students and it has been discussed in the parent-teacher meet 2021. Some of the faculty members visited to some mentees and other students to consult with their parents and to encourage the students.

Sub:-Application for taking action regarding Feedback.

Sir,

I have the honour to inform you that our college has taken Feedback from our stakeholders and I am placing the suggestions made by them for your kind consideration and necessary action.

The suggestions are as follows:-

1. Reference books are to be made available in the market and to reduce the vastness of the syllabus for undergraduates, considering the duration of UG course, per semester.
2. To introduce History of English literature in lieu of Classical European Literature for the beginners of English Honours course in B.A. First semester.
3. To consider MIL as compulsory subject.

Thanking you.

Yours sincerely,

Principal
Kamarbandha College
PO K.B. Ali, Golaghat
