A College Level Seminar on "Environmental Protection and Present Social System"

Organized by -

Research and Extension Cell, Kamarbandha College.

In Collaboration with IQAC.

Date: 30th October, 2019

Report:

The Research and Extension Cell of Kamarbandha College organized a seminar among the students at Conference Hall on the topic "Environmental Protection and Present Social System" in collaboration with IQAC, dated, 30th October, 2019. It was an honest attempt to raise awareness among the students about the need for protecting environment there by sustains it as green and safe. The frequent climatic changes have created panic among the living beings. The Kamarbandha College stands at the rural back ground. The local communities with their limited knowledge about the positive aspects of safe and protected environment should be made aware of and the students can take a major initiative for bringing such messages to them. The resource person made his good efforts to convey such messages to the community. Some other faculty members also delivered their lecture on the issue. More than 50 students and faculty members were present in the seminar. At the end of the seminar Resource Person Mr. Paresh Kalita generalized the research skills of the students. He also provided some tricks to the students about preparation of seminar paper. After all, it is a very pertinent topic for discussion in the present socio- economic scenario.
